RANDOLPH-MACON WINS SLOW GAME

Defeats Fredericksburg Club on Home Grounds by Score of 6 to 3.

[Special to The Times-Dispatch.] Ashland, Va., March 30.-The Ran-dolph-Macon nine defeated the team from Fredericksburg this afternoon in a slow game, on the college diamond, by a score of 6 to 3. The game was the one postponed from yesterday on the one postponed from yesterday on account of rain. The Yellow Jackets showed up in steadler form than they have heretofore. They were much more effective with the willow. The game was characterized by many errors, on account of the cold weather, and was devoid of any sensational plays.

plays.

The feature was a remarkable piece of work by Ives, the college shortstop, when he came in fast, scooped up Williamson's hot grounder, which Rhodes had fumbled, and shot it to first in time to catch the runner. Snell's two-bagger in the ninth, with a man on second, was also a pretty play.

play.

Beyond this the game was tame, as the home team held it safe throughout. The next contest on the schedule is on Saturday, with the Randolph-Macon Academy, from Bedford City. Blanton will be on the mound for the home team. The score:

It was just one of the prettiest games imaginable, and regardless of the score the leaguers were made to look like bushers from beginning to end. Every one of Sullivan's recruits, with the exception of Lodge, Boyce and Mattis, hit safe at least once, and Lodge and Boyce are excussable, for Lodge caught a game which put him in the regular class, and Boyce had everything on earth from a fast one to a tantalizing slow curve, which kept Patsy Moran's crew breaking their backs.
